ARTIFICIAL GRASS

Explore the world  
of Greenery

MADE IN INDIA

Uro Decor is India's first brand to manufacture a complete artificial grass carpet with premium quality. Our manufacturing unit is equipped with Imported machinery and techniques. Our plant has a capacity of manufacturing 15 million sq. ft. per year.

We are also a manufacturer for residences, corporate, and sports purposes for its durability and quality.

Uro Decor offers a wide range of varieties in landscaping flooring that will surely sweep off your feet from durability to striking colors. In addition, the artificial grass collection at Uro Decor offers unmatched options in quality, colors, and sizes.

Apart from the creativity and convenience quotient, these grass are also pesticide-free and easy to install and maintain, making them more desirable. Uro Decor Grass is Eco-friendly for our environment.

Uro Decor grass makes your lawn look elegant, and no need for mowing, fertilizing & patches.
